Class Prophecy

May 27, 1990

Dear Coach,

How the years have flown by! My only daughter graduates next week. That made me think of my graduation thirty years ago, and of the class of '60, so I decided to check on what had become of them.

The first person I got in touch with was Pat (Jackson). Her son, Andrew IV, is getting married in two weeks. He is the oldest of five boys. She told me that Linda (Miller) Smithson lived right across the lake.

I decided to drop in on her, and as I approached the house, I was almost knocked off my feet by four teenagers in bathing suits, racing to the lake. Since Saturday was Linda's day off from the beauty shop where she works, we decided to give a party for the class of '60 on that day.

Nancy (Norman) was the first guest to arrive. Her three daughters are following in her footsteps as top fashion models for "Vogue."

Marlene, Josephine, and Arlene all came together. Marlene (Bellhorn) tells me she is a teacher at St. Luke's Christian Day School. She just received her Masters degree. Arlene (Glemser) is teaching Senior English at Oviedo High. She says she is married to an English professor at Rollins College. Josephine (Mikler) is also a teacher. She is now teaching at one of Slavia's new elementary schools.

Wes Evans drove all the way from Cocoa where he is still trying to build a bridge across the Atlantic, Although he is one of the world's greatest engineers, I have my doubts about the success of this venture.

Also from Cocoa came our own Susan (Stanko), who is one of the top research scientists in the field of space vegetation. She just won the Nobel Prize for her answer to the TV dinner--a whole meal in a capsule!

The next arrival was a redhead; no, not the one you think. It was Phyllis (Howell). She's the new manager of "Ivey's Beauty Salon" and she told me she has two "dahling" daughters.

Mike Duda flew in from his ranch in south Florida. He tells me that his old hobby, flying, has helped him in running his twenty-thousand acre ranch. His cousin, Johnny Tesinsky, the new owner of a speedway which rivals the Daytona Beach Speedway, came along with him.

You wouldn't know him!

Yvonne (King) was unable to come because she is on a tour with her lovely daughter, who has taken over her title as "Skate Queen of America."

Joanne (Oliver) was also on a trip. She is in Africa with her famous geologist husband, Charles Boone, looking for a very rare stone.

Being unable to trace Julyann (Peters), our private eye, Ronnie Willis, traced her through her previous occupations and found her with her senator husband in Washington, D. C., where she holds the position of chief librarian in the Libary of Congress!

Did you know that Benne Wainright is a professor at F. S. U. ? He teaches Algebra and rumors have it that a few years ago Mr. Buckelew went up to take a refresher course and Benne failed him!

Lynda (Clark) Hickson phoned to say she would be late because she was working. She is an interior decorator and is presently working on the fabulous new "Lioness," a hotel located at the famous resort, Sweetwater Park. Incidently, it is owned by our own Mike Tyre, who owns a chain of hotels reaching from Alaska to Hawaii!

We were lucky to catch Margaret (Hunt) between flights. She has just completed her one hundredth flight to the moon! (She is the world's greatest woman test pilot).

All of these famous people amaze me. And if you could see my quintuplets, all six-footers, you would want to be coaching basketball again!

Coach, I hope mail is delivered regularly in outer space. Your neighbor told us that our class inspired you to devote full-time to sponsoring annuals at Moon High and Mars U. On your next visit to earth, please drop in to see me, OK?

Sincerely,

Junie Fleming

Under the adroit coaching of Mrs. James Partin, the 1959-60 team has achieved with their excellent teamwork and high spirit a record of six wins and two losses.
The team consisted of: Marian Fabry, Carol Rook, Katherine Duda, Pat Jackson, Eleanor Duda, Junie Fleming, Marlene Bellhorn, Betty Duda, Suzzanne Partin, Sandra Bellhorn, Shirley Mikler, Barbara Beasley, Karen Chambers, and Barbara Smith.

Varsity Basketball

TOP ROW: Roy Wainwright, Ronnie Willis, Johnny Tesinsky, Jerry Arndt, Mike Duda, Coach Mikler. BOTTOM ROW: Richard van Wormer, Kenneth Sparks, Jerry Ulrey, Mike Kennedy, Benne Wainwright, Johnny Courier, Wes Evans.

Despite a very hard schedule our team was beaten badly only twice. Inability to win the close ones hurt our record which now stands at 9 wins and 10 losses. With only one player six feet tall, we turned to the running game which made our team an interesting team to follow. The boys were aggressive which accounts for a possible record for fouls committed. Our offense was perhaps equal to our past teams, but our defense left something to be desired.

Our starting lineup consisted mainly of eight players. Captain, Mike Duda and Ronnie Willis at forward, Johnny Tesinsky at center, Roy Wainright and Kenneth Sparks at guard. Jerry Arndt, Wes Evans, and Johnny Courier alternated with Kenneth, and Ronnie in their respective positions. The rest of the squad is as follows: Benne Wainright, Richard Van Wormer, Mike Kennedy, and Jerry Ulrey.

As we go to press, we have two regular games remaining on our schedule. Our team is preparing for the group tournament which we are determined to win.

Our high scorers were: Mike Duda with 333 and Johnny Tesinsky with 291.

Milton West led the scoring with 15 points followed by his Lakeview teammates. Joe Freeman, with 13, and A. Schultz, with 12.

Lakeview's junior varsity defeated Oviedo's, 47-27.

LAKEVIEW jumped to a quick, first period lead but Oviedo wouldn't be denied.

The lead spun back and forth between the two, longtime sports rivals.

The hotly-fought contest was marked by smooth basketball maneuvering, especially in the fading minutes when Lakeview played for control of the ball.

Oviedo made a determined closing bid but Lakeview squashed its efforts and held its narrow victory margin.

Two Platoon Troubles

Oviedo Coach Paul Mikler feels his "two platoon" system is in danger. The Lions have only two boys back from the eight who saw most of the action last year, and carried Oviedo to the first round of the state tournament.

However, one of the returnees is leading scorer Mike Duda, which spells danger to Oviedo foes. Johnny Tesinsky is the other.

"WE ALTERNATED teams pretty much last year," Mikler says, "but I don't know if we have enough experienced men to do it this season. I'm a little encouraged though, and of course we expect Duda to do a good job."

The Lions went down in a 55-52 thriller at Lakeview Friday night after swamping Ocoee in their season opener. They host Bishop Moore tonight, seeking victory No. 2. The game was switched from tomorrow to tonight by mutual agreement.

Mt. Dora, 65-63

The won and lost record of the Oviedo J. V. 's does not give a true picture of the team, although they lacked experience, depth and height, they displayed a determination to win and improved with each game. As Grantland Rice once said, "it matters not whether they won or lost but how they played the game." It can be said of the Oviedo J. V. 's; they played the game well!

Autographs

As another school year draws to a close we find ourselves filled with mingled emotions. On the one hand, we are filled with pride at the success of our students who have pursued a difficult year of school life. On the other hand we sorrow with those who have not succeeded in all that they have undertaken.

All lives, however, are made of successes and failures. Many times, failure will be the only reward of our finest efforts. It is important that we remember that it is far better to dare mighty things, to win glorious triumphs, even though checkered by failure, than to rank with those poor spirits who neither enjoy much nor suffer much, because they live in that gray twilight that knows not victory nor defeat.
